delve into the fascinating world of dirt in this history of culture cleanliness and our evolving perceptions of what is and isn't gross in this engaging and often humorous study of life's imperfections public health and hygiene authority terence mclaughlin dissects our attitudes toward the filth that has accompanied society throughout human history according to him dirt is a matter of opinion cultural attitudes about everything from factory smoke to personal hygiene are constantly shifting with the economic and political exigencies of the era mclaughlin cites old testament examples of cleanliness which unbeknownst at the time helped protect the observant from the plague the famous baths of ancient rome were seen as progress for personal hygiene and later scorned by christians who rejected all things roman with a litany of fascinating examples mclaughlin sheds light on how we accept or reject substances dirt is essential reading for anyone wishing to understand how we shape our environment

the education provided by canada's faith based schools is a subject of public political and scholarly controversy as the population becomes more religiously diverse the continued establishment and support of faith based schools has reignited debates about whether they should be funded publicly and to what extent they threaten social cohesion these discussions tend to occur without considering a fundamental question how do faith based schools envision and enact their educational missions discipline devotion and dissent offers responses to that question by examining a selection of canada's jewish catholic and islamic schools the daily reality of these schools is illuminated through essays that address

the aims and practices that characterize these schools how they prepare their students to become citizens of a multicultural canada and how they respond to dissent in the classroom the essays in this book reveal that canada s faith based schools sometimes succeed and sometimes struggle in bridging the demands of the faith and the need to create participating citizens of a multicultural society discussion surrounding faith based schools in canada would be enriched by a better understanding of the aims and practices of these schools and this book provides a gateway to the subject
